Richard Dunn

Dear Community Members,

Tonight's scheduled special meeting of the Southeast Overtown/Park West CRA has been **cancelled**.

The CRA, City of Miami, and Miami-Dade County have been **working diligently** over the course of the last few months to jump start development in the heart of Overtown which will **clear the way for significant job opportunities**.

After a twenty year legal battle, the CRA is **close to achieving an overall settlement** with the County, City, and Sawyer's Walk.

On Friday, the **County raised a number of questions that require additional revisions** to the County Settlement Agreement.

We have met with County officials on Friday, and again, today. **Instead of moving forward with a last minute or incomplete set of documents**, the items will be presented
