1.3 Background

The SEOPW CRA is a public agency formed under Fla. Stat: 163.330 and is responsible for carrying out community redevelopment activities and projects within the SEOPW CRA Redevelopment Area. The Property is located within the Historic Overtown neighborhood with one side along the business corridor of NW 3rd Avenue. All development undertaken by the SEOPW CRA shall be consistent with the 2018 Redevelopment Plan Update.

The SEOPW CRA envisions a successful response as one that provides the highest and best use of the property for affordable housing development. On residential and mixed-use developments, the SEOPW CRA historically strives for projects that include a mix of 1, 2, and 3-bedroom units, and at affordability levels in the range of 60% to 100% of the area median income (“AMI”); however this RFP sets no specific requirement for number or size of units, or for any specific AMI level(s).

As one side of the Property abuts the business corridor which is NW 3rd Avenue, it is assumed that the a successful response will be one that proposes a mixed-use development with commercial and/or retail space available at the ground level.

Note: The SEOPW CRA will consider Proposals which incorporate neighboring parcels of land where landowners are a component of the Proposer’s team or Joint Venture. In the event that the SEOPW CRA receives proposals which incorporate neighboring parcels of land contingent on future purchase of said property, the Proposal will be scored accordingly with respect to feasibility of the financing plan. See Evaluation Criteria in Section 4.0 for more information.
